WVSM® SINGLE UNIT KIT
500-0001-01

WVSM Kit includes
• 1 WVSM monitoring device
• 1 BP cuff (Adult size)
• 1 Nonin reusable SpO2 fingerclip
• 1 set of 3 bonded ECG leads (Red, Blk, Wht)
• 3 packages of 3 disposable ECG electrodes
• USB with Device and Accessory Software Manuals (not pictured)
• 1 WVSM Charger

The standard WVSM Kit comes complete in a box with all subsystems. WVSM is FDA cleared and tested to JCETS (MIL-STD-810).

CUSTOM MOBILE TELEMETRY SYSTEMS

TacPac
Portable, modular, tactical and rescue pack. Comes with 2 WVSMs and custom tactical bag. The iPod Touch is sold separately.
500-0001-11

SurgeCase
Fully integrated and turn-key mobile telemetry stations protect and charge up to 10 WVSMs. Lid-mounted tablet provides a central monitoring point.
500-0025-03
